Dear Judy,

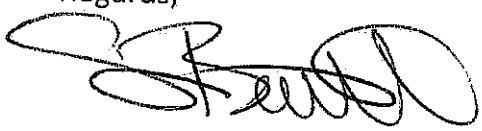
Please accept this letter of retirement effective April 19, 2024.

I have truly enjoyed working for the Colchester Public Schools as an Office Professional and I sincerely appreciate the support and guidance you have given to me during my time at CES.

While I look forward to enjoying my retirement, I will miss being a part of our team.

During the next few weeks, I am willing to help you in any way to make the transition as smooth as possible. This includes assisting in recruiting and training my replacement. Please let me know if there is anything specific that you would like me to do.

Regards,



Susan Bartholomew

To whom it may concern,

I Virginia Wolk have put in my resignation to the Colchester Ct. BOE on Feb 20th 2024. I also put in my 2 wk notice today as well Feb 20, 2024 I was assuming my 2 wks would be 2 pay roll wks as my last day was Feb. 29th 2024.

Reasons for leaving BOE.

When I was given the job I was trained on told to only do basic things at my Guidelines However I've been expected

to do alot more than what I was originally told and there just isn't enough hours 4 hrs a night is not nearly enough time to clean 3 buildings even 2 buildings a night properly. Also I'm not paid enough for all the work I have been doing over the yrs. I've been asking for more hrs and have put in for full time positions several times over the last 4 yrs and have never gotten either. So, its given me no choice but to relocate to find Full time other more work. Thank You Virgin Mobile

To Whom it may concern,

I Anthony Amato have decided to resign my position here at William J. Thank you for the opportunity of working here,

Dear Mr. Bennett, I am sending this email at your request. I am resigning from my position at William J. Johnston Middle School effective March 22, 2024.
I am sorry that my performance did not meet the expectations of you and the teachers I worked with. Noone ever shared their concerns with me prior to our meeting on Friday. Perhaps if they had this unfortunate ending could have been averted.
Thank you for the opportunity to have worked with the wonderful students and staff at WJJMS.

Sincerely,
James W. Aloia

Dear Mrs. Begue,

I hope all is well. With that being said I am writing this letter to officially inform you that I will be resigning effective April 4th, 2024. The reason I am resigning is that I have accepted a new job with the company Trugreen as a territorial sales representative. The job is located in San Antonio, Texas. The start date is April 8th, 2024. With this I need ample time to relocate and that is why I will be resigning effective April 4th, 2024.

I would like to say thank you very much for this job opportunity. I have enjoyed my time here at bacon academy and am grateful that I was accepted with open arms. I valued this experience and was glad to help students succeed in their academic career. I hope the remainder of the school year goes smoothly. Again thank you very much.

Sincerely,

Riley Burke

HI Eve,

I sent the following email to Aliyah's and Jade. I know being new it would be hard to work sounds this or maybe become a sub. Unfortunately elderly services is making it mandatory someone is with my mother in law 24 hours a day. We're in the process of interviewing care givers.

Hi Alisha and Jade,

After a really hard decision I think it would best for me to give my notice. I feel with the days I missed I didn't think it's fair to the team or the students. In such a short time I really grew attached to the students and staff. I have to the say the staff was very welcoming and it meant a lot to me. I' sorry this is coming out of the blue. My wife and I were unprepared for my mother-in-law b ring this sick. I will really miss the students and staff. They are an incredible bunch staff. The next few weeks it's going to be unknown with my mother-in-law, my wife and I have to plan accordingly to be with her at least 24 hours a days Until we find suitable accommodation. Right now we're in the process of interviewing home health aides.

Thank you for how understanding you have been with my situation..

Sincerely,

John

Dear Judy & Meghan:

It is with mixed emotions I write to you to inform you that I will be resigning as a Child Development Associate for CES, effective March 28th 2024. This decision did not come easy but I have had an opportunity to expand my knowledge and skills in a position more directed towards my Psychology degree.

I want to sincerely thank you, and everyone here at CES that believed in me and gave me the opportunity to have a larger role in the classroom. I have learned and grown so much as an individual and professionally. My love for Colchester Elementary School and the community stays with me and I can't help but believe something will bring me back here one day. The relationships I have made in my three years at CES, I will treasure and hold onto. I hope to stay in touch with my collogues and continue to be supportive of each other.

I will do my best to help my collogues any way I can in this transitional period. Please feel to reach out with any questions, comments, or concerns. I am open and willing to discuss my decision.

Sincerely,

Kennedy Fowler
